On behalf of the Faculty of Natural Sciences at the University of Ss. Cyril and Methodius in Trnava, I am pleased to extend to you a formal invitation to participate in a short-term academic visit to our university from 13 to 20 June 2026.

The aim of this mobility is to enhance academic cooperation between our institutions, encourage the exchange of knowledge and professional experience, and support the development of future collaboration in the area of biology and related scientific fields.

Furthermore, you will serve as the coordinator and supervisor of a group of eight students participating in the organisation and implementation of the international scientific school "EcoLens Youth Lab" within the framework of the V4 Generation Mobility Mini-Grant No. 12520117.
