10.	Olena Babenko (Group supervisor)	FN566220

Faculty of Natural Sciences,
University of Ss. Cyril and Methodius in Trnava,
Námestie Jozefa Herdu 2
917 01 Trnava

The aim of this mobility is to strengthen academic cooperation between our institutions, promote the exchange of knowledge and experience, and support the development of future collaboration in the fields of biology and related scientific disciplines.

We would be honoured to welcome the students from your Institute to Trnava and are confident that their participation in the summer school will provide valuable scientific experience, foster international cooperation, and contribute to their academic development.

With highest regards,

doc. RNDr. Daniela Ondrejovič Chmelová, PhD.

Dean of the Faculty of natural sciences
